1. FOR

OUR PRESENT ESTIMATE

OF TIME REQUIRED TO REPLACE 20X LENS WITH 40X LENS IN PRESENT ENLARGER IS ONE HALF DAY BY SKILLED MECHANIC FAMILIAR WITH DEVICE. RECONVERSION IS POSSIBLE IN THAT NO PERMANENT CHANGES ARE ENVISIONED.

2. WHILE WE COULD PROVIDE INSTRUCTIONS FOR OTHERS TO CHANGE THESE LENSES AND MUCH AS WE LIKE BUSINESS I AM AFRAID MOST OF THE INSTALLATIONS WOULD BE UNHAPPY IF THEY ATTEMPTED WORK THEMSELVES.

3. THREE INSTALLATIONS HAVE TWO ENLARGERS HTA, ACIC AND SAC. ONE EACH OF THESE COULD BE CONVERTED. AS PREVIOUSLY INDICATED WE ESTIMATE [] FOR THREE SUCH 40X LENSES AND THEIR INSTALLATION BY US.

4. PLEASE ADVISE.

END OF MSG
